Cadette Girl Scout 11 – 14

Junior Girl Scout 8 – 11

Brownie Girl Scout 6 – 8

Daisy Girl Scout 5 – 6

### **Game from GUSA:**

Shape game: played in pairs, two girls sit back to back so that neither can see what the other is doing. Each is given the same coloured shapes, which can be made from wood or paper. One girl makes a design with her shapes and tells the other girl where she is putting each piece. The other girl listens and tries to make the same design. It's interesting to see how alike or different the designs can be.
