

## Cookie Paper Doll Craft

### Materials

Template printed on cardstock  
Crayons/markers  
Miscellaneous items for decorating (optional)  
4 brass fasteners/doll  
Scissors  
Glue

1. Decorate the template
2. Cut out the cookie doll parts
3. Glue the hat onto the cookie
4. Poke the brass fasteners through arms and legs and attach to your cookie

You may want to turn your doll into a puppet by gluing or taping a popsicle stick or straw to the back. The girls can then make up a play/skit with their dolls.
